11. Explain major regulation set by government authority for adventure tourism in India. [E] / [CO4]

Adventure tourism in India is regulated by various government bodies to ensure safety, professionalism, environmental protection, and quality standards. The major regulations are as follows:

- National Adventure Tourism Guidelines (Ministry of Tourism)
- Registration and Licensing of Adventure Operators
- Safety and Rescue Regulations
- Insurance Requirements
- Indian Mountaineering Foundation (IMF) Regulations
- Water Sports Regulations
- Air Adventure Regulations (DGCA)
- Environmental and Wildlife Protection Regulations

12. Differentiate between kayaking and surfing. [U] / [CO2]

Kayaking is the sport or activity of paddling a small, narrow boat called a kayak using a double-bladed paddle. Paddlers sit facing forward, with their legs in front, and use alternating strokes on each side to move through the water. It can be a relaxing recreational activity or a high-energy competitive sport on various waterways like rivers, lakes, and oceans.

Surfing is a water-based adventure sport in which a person, called a surfer, rides on the forward or deep face of moving ocean waves using a surfboard. The surfer uses balance, body movement, and skill to stay on the board while gliding along the wave until it breaks. It is both a recreational activity and a competitive sport practiced mainly in coastal areas with suitable waves.
