MAHATMA GANDHI UNIVERSITY, KOTTAYAM MGU-UGP(HONOURS) REGULAR EXAMAINATION March 2026
Fourth Semester
Discipline Specific Core Course (DSC) - MG4DSCPES201 - Comprehensive teaching methods in physical education
(2024 Admission Onwards)

Duration : 1 hour 30 minutes **Maximum Mark : 50**

Part A
MCQ
Answer all questions
Each question carries 1 mark

1. Identify the main purpose of teaching methodology. **[U]/[CO1,CO3]**
a) Discipline b) Effective learning
c) Punishment d) Evaluation only
Answer: b) Effective learning

2. Identify motor skill involving large muscles. **[K]/[CO1, CO3]**
a) Writing b) Running
c) Typing d) Drawing
Answer: b) Running

3. Recall principle of feedback. **[K]/[CO1]**
a) Correction b) Silence
c) Waiting d) Delay
Answer: a) Correction

4. The main difference between a unit plan and a daily lesson plan is that **[E]/[CO4]**
a) Unit plan is more detailed b) Daily lesson plan covers many topics
c) Unit plan covers a series of related lessons d) Daily lesson plan is for the whole year
Answer: c) Unit plan covers a series of related lessons

5. Select the factor related to facilities and equipment. **[K]/[CO3,CO6]**
a) Physical b) Social
c) Emotional. d) Cultural
Answer: a) Physical

6. Identify technology used for motion capture. **[K]/[CO7]**
a) Chalk
b) Sensor
c) Desk
d) Uniform
Answer: b) Sensor

7. Select outcome of using aids.
a) Less interest b) Increased clarity **[U]/[CO3,CO7]**
c) Delay d) Fatigue
Answer: b) Increased clarity

8. Selection of class formation mainly depends on
a) Teacher's mood b) Subject and activity **[U]/[CO6]**
c) Student age only d) Time of the day
Answer: b) Subject and activity

9. The main purpose of a unit plan is to
a) Teach randomly b) Ensure continuity and sequence of learning **[K]/[CO3]**
c) Reduce teaching time d) Avoid evaluation
Answer: b) Ensure continuity and sequence of learning

10. **Handling misbehavior is best done by** **[U]/[CO5]**
a) Public humiliation b) Immediate physical punishment
c) Understanding the cause and correcting behavior positively. d) Ignoring the problem
Answer: c) Understanding the cause and correcting behavior positively

[1 x 10 = 10]

Part B
Short Answer
Answer any 5 questions
Each question carries 2 mark

11. Define learning. **[K]/[CO1,CO3]**
Learning is the process of acquiring knowledge, skills, attitudes, and values through study, experience, or teaching, resulting in a relatively permanent change in behavior

12. Define modern trends in physical activities.
Modern trends in physical activities refer to new and updated forms of exercise and fitness practices such as yoga, Zumba, aerobics, Pilates, gym workouts, and recreational sports that promote health and wellness. **[K]/[CO3]**

13. List any two domains of learning.
1. Cognitive domain **[K]/[CO1]**
2. Psychomotor domain

(Another domain: Affective domain)

14. What is a tournament?
A tournament is a series of sports competitions in which individuals or teams compete against each other to determine the winner. **[K]/[CO1,CO2]**

15. Define evaluation.
Evaluation is the process of assessing the performance, progress, and achievement of students to determine whether learning objectives have been achievyed. **[K]/[CO3]**

16. What is meant by instructional objectives? **[U]/[CO4]**

Instructional objectives are specific statements that describe the expected learning outcomes or behavioral changes in students after instruction.

17. Mention two traditional aids. **[K]/[CO3]**

1. Blackboard
2. Charts

(Also accepted: Models, Maps, Pictures)

18. What is a presentation technique in classroom teaching? **[U]/[CO7]**

Presentation technique is the method used by a teacher to present subject matter clearly and effectively to students using explanation, demonstration, questioning, and teaching aids.

19. Write two advantages of teaching strategies. **[U]/[CO3]**

1. Makes teaching more effective and organized
2. Improves student understanding and participation

20. Mention two ethical qualities. **[K]/[CO5,CO6]**

1. Honesty
2. Responsibility

(Also accepted: Discipline, Respect, Fairness)

21. Mention two objectives of Zumba. **[U]/[CO3]**

1. Improve physical fitness and body coordination
2. Reduce stress and promote enjoyment in exercise

22. List two strategies for gifted learners. **[U]/[CO6]**

1. Enrichment activities
2. Acceleration of learning

(Also accepted: Special assignments, Independent projects) **[2 x 10 = 20]**

Part C
Short Essay
Answer any 4 questions
Each question carries 5 marks

23. Explain role of ICT in PE teaching.

ICT (Information and Communication Technology) plays an important role in Physical Education teaching by improving learning and teaching methods.

<u>Roles of ICT in PE:</u> **[An]/[CO7]**

1. Helps in demonstrating skills through videos and animations
2. Improves understanding of rules and techniques
3. Used for fitness assessment and performance analysis
4. Motion capture and sensors help in skill correction
5. Makes classes more interesting and interactive
6. Helps teachers in lesson planning and record keeping

Thus, ICT makes PE teaching modern, effective, and student-centered.

24. Explain the difference between teaching and coaching lesson plans. **[E]/[CO3]**

Teaching lesson plan and coaching lesson plan are different in purpose and method.

A teaching lesson plan mainly focuses on classroom learning and academic knowledge. It includes theory, concepts, objectives, teaching methods, and evaluation. It is prepared by a teacher to help students understand the subject clearly.

A coaching lesson plan mainly focuses on sports skill development and performance improvement. It includes warm-up, drills, practice sessions, game strategies, and performance evaluation. It is prepared by a coach to improve the player's practical skills and fitness.

Teaching lesson plans are more educational and theory-based, while coaching lesson plans are more practical and performance-oriented. Both are important in physical education for complete student development.

25. Mention any two criteria for selecting teaching aids. **[K]/[CO5]**

Two important criteria for selecting teaching aids are:

1. Suitability to the lesson – The aid should match the topic and learning objectives.
2. Availability and simplicity – It should be easily available, easy to use, and understandable by students.

Other criteria include age appropriateness, cost-effectiveness, and attractiveness.

26. Explain formal methods of teaching.

Formal methods of teaching are structured and planned methods used by teachers in the classroom according to a fixed syllabus and timetable.

Examples: **[U]/[CO3]**

1. Lecture method
2. Demonstration method
3. Discussion method
4. Question-answer method
5. Project method

Features:

- Teacher-centered
- Organized and systematic
- Follows educational objectives
- Conducted in a formal classroom settings

27. Discuss the benefits of rhythmic exercises.

Rhythmic exercises are movements performed with rhythm, music, or beats.

Benefits: **[An]/[CO3]**

1. Improves body coordination
2. Develops flexibility and balance
3. Enhances posture and grace
4. Increases physical fitness
5. Reduces stress and improves mental health
6. Makes exercise enjoyable and interesting
7. Develops social interaction through group activities

Examples include dance, aerobics, and Zumba..

28. What is command in teaching?

Command in teaching is a method where the teacher gives direct instructions and students follow them immediately without discussion.

Features:

[U]/[CO6]

1. Teacher has full control
2. Students respond quickly to commands
3. Useful in drill, marching, and physical training
4. Maintains discipline and order

This method is commonly used in Physical Education for group control and uniform performance.
