CONSTITUTIONAL AND STATUTORY BODIES IN INDIA

(2024 ADMISSION ONWARDS)

PART A

1. Annual reports are often delayed/lack follow-up action/limited parliamentary discussions.

2. Government of India Act, 1919

3. Civil Court

4. Constitutional bodies derive authority directly from the Constitution/Statutory bodies created by legislation.

5. Articles 280–281

6. Five Years

7. Article 324

8. Decline of Parliament/Parliamentary Dysfunction / Legislative Paralysis

9. Article 323

10. United Nations

PART B

11.Independence ensures impartiality of constitutional bodies—protects them from political interference—upholds credibility in governance.

12.NCM investigates minority rights issues—advises government on policies—monitors safeguards for minorities.

13. NITI Aayog was set up in 2015—replaced Planning Commission—aimed at cooperative federalism and policy innovation.

14.Constitutional bodies check executive power—ensure accountability—strengthen democratic balance though challenges remain.

15. CAG cannot enforce recommendations—limited to auditing—depends on legislature for action- reducing impact.

16. Attorney General is chief legal advisor—appointed by President—enjoys right of audience in courts under Article 76.

17. Sustainable development balances growth with ecology—guides laws like Environment Protection Act—promotes intergenerational equity.

18. RTI empowers citizens with information—curbs corruption—enhances transparency and accountability in decision-making processes.

19. Election Commission ensures free and fair polls—regulates parties and candidates—strengthens democratic legitimacy-central to procedural democracy.

20. RBI manages foreign exchange reserves—maintains currency stability—ensures external trade balance and economic security.

PART C

21. Accountability of bodies ensured through parliamentary oversight—transparency promoted by audits, reports and RTI—judicial review strengthens credibility and public trust.

22. NCST established under Article 338A—safeguards rights of Scheduled Tribes—advises government on policies and monitors implementation of constitutional protections.

23. NGT comprises chairperson, judicial and expert members—specialized tribunal for environmental cases—structured to deliver speedy, scientific, and effective justice.

24. Statutory bodies evolved post-independence—initially advisory, now regulatory and quasi-judicial—changing role reflects governance needs and citizen-centric accountability.
