    a) Discuss the language of news and its distinctive features.

b) You are a sub editor in an Indian English newspaper. The following news item has been received from an international news agency. Rewrite and adapt the report in English making it clear for Indian readers.

Maintain objectivity and factual accuracy. Ensure brevity without losing essential information. Provide brief explanations within the text for unfamiliar references. Identify and explain culturally specific terms unfamiliar to Indian readers. Remove idioms or expressions that may not be understood.

Write a suitable headline.

AGENCY COPY

Madrid, July 22 (AFP) – Spain's Parliament approved a housing reform package aimed at controlling rent increases in major urban centres where affordability has declined.

The law allows regional governments to designate high demand areas where rent caps may be introduced. Provisions for tenant protections have been expanded.

The government stated that low income households must be supported amid rising living costs. Property developers have warned that construction activity could be slowed if profitability declines. Implementation will be overseen by regional authorities.
