17. How does Tharoor address the common pronunciation and grammar errors prevalent in Indian English? [U] / [CO1]
    Answer: Tharoor addresses errors by identifying common mistakes in pronunciation and grammar, such as misuse of words like “presently” and “revert,” and incorrect pronunciations. He explains their correct usage, often with humour, while admitting some concerns are pedantic. He stresses that communication matters more than rigid correctness and recognises that widespread misuse can eventually shape accepted language norms.
