[5x2 = 10]

Part C

Long Essay Questions.

Answer any **1** questions. Each question carries 1**5** marks

15. Discuss the benefits and challenges of community involment in film tourism projects. **[U] / [CO2]**

Benefits: employment opportunities, income generation, cultural promotion, infrastructure and skill development, community participation, support for local businesses, improved destination image, social development, and sustainable growth; **Challenges**: overcrowding, environmental pollution, cultural commercialization, unequal benefit sharing, rising cost of living, traffic congestion, resource pressure, conflicts of interest, seasonal dependence, and loss of privacy.

16. Illustrate how famous films or TV shows have influenced the tourism industry by creating new iconic destinations. Provide real-world examples. **[U] / [CO1]**

Film tourism is important because movies and TV shows inspire people to visit real locations seen on screen, increasing a destination’s popularity. Examples include The Lord of the Rings in New Zealand, Harry Potter in United Kingdom, Game of Thrones in Croatia and Northern Ireland, Dilwale Dulhania Le Jayenge in Switzerland, and The Beach in Thailand.

17. What role do travel vloggers and bloggers play in attracting tourists to film locations. **[U] / [CO2]**

Travel vloggers and bloggers promote film locations globally, create visual appeal, share personal experiences, influence travel decisions, highlight hidden spots, provide travel information, boost social media buzz, connect fans with movies, support local economies, and encourage sustainable tourism awareness.
