MAHATMA GANDHI UNIVERSITY, KOTTAYAM

MGU-UGP (HONOURS) Regular EXAMINATION October 2025

Third SEMESTER

Discipline Specific Elective (DSE) - MG3DSEHMC200 - ROOMS DIVISION

OPERATION - I

Part A

1. A condominium hotel is a property where units are individually owned but operated as a hotel.
2. One subcategory of heritage hotels is *Palace Hotels*.
3. Mid-market hotels offer moderate rates with essential services like room service and basic amenities.
4. Hotel classification is grouping hotels by standards; it helps guests choose suitable accommodation.
5. A 3-star hotel provides comfortable accommodation with moderate facilities and services.
6. Two financial details recorded during registration are the *mode of payment* and the *advance deposit*.
7. The first stage of the guest cycle is *Pre-arrival*.
8. A guest folio is a record of all financial transactions of a guest during their stay.
9. Listen politely, apologise sincerely, and take quick corrective action to resolve guest complaints.
10. Inspect guest rooms systematically, checking all areas for missing amenities.
11. Use the correct linen order: mattress protector → bed sheet → blanket → bedspread.
12. Knock, announce entry, clean bathroom first, then bedroom, finally replace supplies.
13. Place amenities neatly on both sides of the bed with attention to guest comfort.
14. Verify guest identity and record details before issuing a luggage receipt.
15. Note the guest's preference clearly and assign a sea-view room accordingly.

Part B

16. Hotels by location include city, resort, airport, and suburban hotels with examples.
17. Hotels by clientele include business, leisure, and group/conference hotels.

18. Documents during registration include the registration card, ID proof, and booking confirmation.
19. Guest complaints are handled by acknowledging, investigating, resolving, and following up.
20. Feedback helps evaluate performance and improve service standards.
21. Use proper disinfectants and cleaning procedures to maintain hygiene in cloakrooms.
22. Clean restaurant during off-peak hours quietly and efficiently without disturbing guests.
23. The call register helps track complaints and improve response time in housekeeping.
24. Use polite, empathetic communication to handle guest concerns about luggage limits.
25. The checklist should include cleanliness, décor, lighting, seating, and hygiene for banquet and public areas.

Part C

26. Supplementary accommodations include motels, youth hostels, dharmshalas, and service apartments.
27. The occupancy stage includes guest stay activities, complaint handling, and ensuring security.
28. The departure stage includes billing, payment settlement, key collection, and guest feedback.
29. A standard guest room layout includes a bed, study desk, wardrobe, minibar, and safety features.
30. VIP arrival procedures include personalized greetings, express check-in, welcome amenities, and escort service.
