Part- C (Essay Type)

Case Study/Situation Analysis/Ad Copy/ Digital Marketing Strategy.

Answer any 1 question. The question carries 25 marks.

22. Bean Bliss, a cozy local café, has a loyal set of walk-in customers but struggles to attract new ones online. The café has a Facebook page where it shares the daily menu but gets very little engagement. The owner, Ramesh, noticed that many customers take photos of their coffee art and share them on Instagram with creative captions.

    Analyse:

    (a) How can Ramesh leverage Instagram and user-generated content (UGC) to increase online reach and attract new visitors to the café?

    (b) Suggest two actionable strategies that he can implement. (An, CO2, 5)

23. Rajasthan, famous for its forts, palaces, and desert landscapes, has branded itself as the "Land of Kings." The Rajasthan Tourism Department has been actively using digital storytelling to attract domestic and international tourists by highlighting its unique heritage and royal culture.

    Content Strategy:

    Visual Content: Immersive drone videos of forts, palaces, desert festivals, and camel safaris.

    Storytelling: Campaigns like *"Padharo Mhare Des"* that focus on hospitality, valor, and cultural pride.

    User-Generated Content (UGC): Encouraging travelers to post pictures of their desert camping experiences and folk dance nights with hashtags like #RoyalRajasthan.

Educational Content: Blogs and YouTube series about Rajasthani cuisine, history of Rajput kings, and handicrafts.

Multilingual Campaigns: Targeting European and Asian audiences through translations in German, French, and Japanese.

Questions for Analysis:

(a) How does Rajasthan Tourism use content marketing to preserve cultural heritage while promoting tourism?

(b) Discuss the impact of storytelling in positioning Rajasthan as a premium heritage destination.

(c) How can UGC campaigns enhance Rajasthan's visibility in international markets?

(d) What challenges might arise in balancing heritage conservation with mass tourism promotion?

(e) Suggest innovative digital content strategies (like VR palace tours or AR-based apps) to attract younger global audiences. (An, CO2, 5)

24. PedalPro, a new mobility start-up, is introducing smart bicycles designed for eco-friendly urban commuting. With a modest marketing budget, the company aims to attract young professionals in metro cities who care about fitness, sustainability, and cost-effective transport.

Question:

Using your knowledge of media planning, explain how PedalPro can strategically choose media channels to reach urban commuters effectively and position itself as the go-to choice for sustainable city travel. (An, CO5)

(1 x 25 = 25 marks)
