MAHATMA GANDHI UNIVERSITY

THIRD SEMESTER UG PRACTICAL EXAMINATION

Course: MG3DSCCHE201- Organic Chemistry-1

Model Questions

Time -3 hr. **Total marks: 35**

1. Determine whether the given organic compound is saturated, unsaturated, aromatic, or aliphatic. Record your experiments systematically. 5 Marks

2. Determine the specific rotation of the given compound. 5 Marks

3. Prepare …… from …… using green chemical methods. Record the yield. 5 Marks

4. Prepare …….. from …… using a microwave synthetic method. Record the yield. 5 marks

5. Certified report of lab works done 5 marks

6. Viva voce 10 Marks
