QP CODE: 24900248

MAHATMA GANDHI UNIVERSITY, KOTTAYAM

FIRST SEMESTER MGU- UGP (HONOURS) REGULAR EXAMINATION NOVEMBER 2024

FIRST SEMESTER

MG1MDCSTA100 – STATISTICAL DATA COLLECTION

Duration: 1 hours **Maximum marks: 35**

SCHEME OF VALUATION

Part - A

Multiple Choice Questions

Answer all questions. Each question carries two marks

1. Option a - Standardized questionnaires - 2 marks
2. Option c - dependent variable - 2 marks
3. Option a - population - 2 marks.
4. Option b - probability sampling - 2 marks
5. Option d - more reliable - 2 marks
6. Option a - weight of a watermelon as measured each week - 2 marks
7. Option b - rating levels of agreement or satisfaction - 2 marks
8. Option c - standardization of experimental conditions - 2 marks
9. Option a - environmental conditions are homogenous - 2 marks
10. Any attempt - 2 marks

Part B

Short Essay Type Questions

Answer any three questions. Each question carries 5 marks

11. Mentioning any 5 steps - 5 marks - Formulating the research problem, extensive literature survey, developing the research hypothesis, preparing the research design, determining the sample design, collecting the data, execution of the project, analysis of data, testing of research hypothesis, generalizations and interpretation, preparation of the report or presentation of the results
(Explanation is not needed. If explanation is there, give full marks for

explanation of any 2 steps.) This question should be mapped to CO 1, instead of CO 5.

12. Defining both or explaining both - 2.5 + 2.5 marks. Writing one real life example for each, then also give full marks.
13. Defining both or explaining both - 2.5 + 2.5 marks.
14. Defining nominal, ordinal, interval and ratio scales - 5 marks. If only one example for each is mentioned, then also give full marks.
15. Mentioning any three advantages - 5 marks . controls variability in two ways reduces error mean square, better control of confounding factors, improved precision of estimates, flexibility in experimental setup, reduced risk of bias, more efficient use of resources.
